Schedule 6. - 10. december 2021

DECEMBER 4TH AND 5TH - ARRIVAL OF PARTICIPANTS

Day 1. December 6th.

9:00 - 10:00 Meeting at the school in Baugakór 38 and introduction of the school (conducted by students)

10:00 - 10:20 Coffee break (coffee, tea, crispbread and cheese spread and fruit)

10:20 - 10:40 Introduction of participants

10:40 - 11:10 Introduction of the Icelandic school system and questions from participants (conducted by Ingileif Ástvaldsdóttir from UI)

11:10 - 11:40 Lecture from the UI about results of research on the school situation in Iceland during the Covid19 in the spring of 2020. Followed by discussion where the participants can compare their experiences with the results of the research where they focus on equity in a wide perspective of flipped and distance learning. (Conducted by Þorsteinn Árnason Sürmeli from UI)

11:40 - 12:30 Why information technology in education? Lecture from the UI and IT Project Manager of Kópavogur about how teachers can and should use IT to give collaboration and creativity more value in education, followed by discussion among participants. (Ingileif Ástvaldsdóttir and Bergþóra Þórhallsdóttir)

12:30 - 13:00 A lecture and workshop on Seesaw. (Conducted by Bergþóra Þórhallsdóttir, Project Manager of IT in Kópavogur)

13:00 Lunch at school (Mondays we serve fish and vegetables + fruit)

Day 2. December 7th.

9:00 - 10:00 Lecture from the UI about the benefits of EduCamps for teachers and students. (Bergþóra and Ingileif)

10:00 - 10:20 Coffee break (coffee, tea, crispbread and cheese spread and fruit)

10:20 - 11:30 EduCamps – participants share their knowledge and experience in using IT in their flipped and distance learning.

11:30 - 13:00 Discussion on how the participants can and would organize EduCamps in their schools/districts to share knowledge and strengthen teachers' network for the benefit of students learning.

13:00 Lunch at school (Salad, soup and vegetables + fruit)

17:00 Fly over Iceland <https://www.flyovericeland.com/explore-unseen-iceland/> followed by dinner downtown - Dinner at Pünk restaurant <https://punkrestaurant.is/all-star/> , reservation is at 18:30.

Day 3. December 8th.

9:00 - 10:00 Workshops where participants learn ways to use the tools of GSuite for collaboration and creativity. (Teachers from the school 9th grade, integration of subjects and IT)

10:00 - 10:20 Coffee break (coffee, tea, crispbread and cheese spread and fruit)

10:20 - 12:00 Round table discussions where the participants discuss the value of collaboration and creativity for students and their education and how it can influence their attitude towards IT and use of social media; both in the present and for the future.

12:00 Lunch at school (meat and vegetables + fruit)

13:00 - 14:00 The camera and its possibilities for enhancing creativity in the classroom. A visit to Mixtura, the multimedia center for schools in Reykjavík: Mixtúra is the creative and information technology center of the City of Reykjavík's School and Leisure Department. There is also a genius workshop and a fully equipped photo studio. Búnaðarbanki SFS is housed in Mixtúr, where SFS employees are offered a variety of study and teaching materials free of charge.

16:00 Walk around Reykjavík and dinner downtown - no reservation just play it by ear.

Day 4. December 9th.

9:00 - 10:00 Keep it simple and safe. A presentation from the IT team of Kópavogur about digital citizenship and safe use of IT in flipped and distance learning. (IT project leader in Kópavogur Sigurður Haukur Gíslason)

10:00 - 10:20 Coffee break (coffee, tea, crispbread and cheese spread and fruit)

10:20 - 11:30 Discussion on how schools can use simple tools to make their flipped and distance learning simple for the students and the teachers both to protect and increase equity.

12:00 Lunch at a restaurant nearby

16:00 A trip to Reykjanes Peninsula and the Blue Lagoon. Dinner at the Blue Lagoon.

<https://www.bluelagoon.com/>

Day 5. December 10th.

10:00 - 11:00 More tools for the flipped and distance learning teachers' tool-box. Focus on tools that further improve the quality of collaboration and creativity in flipped and distance learning. Workshops will be given by teachers that have experience in using several different apps and web tools. (Teachers from Hörðuvallaskóli)

11:00 - 12:00 Discussion about how the skills and knowledge that has been created in the session can be shared by the colleagues of the participants so more teachers and students can benefit from it in the future.

12:00 - 13:00 Working on the website and sharing documents of the session.

13:00 Lunch at school

18:00 Dinner at Margréts' house (Baugakór 5-7, apartment 106), bring your own drinks.

All the materials produced during the week (the website, presentations, videos, images) will be uploaded in the TwinSpace of the parallel project/group in eTwinning live, used for monitoring activities, communication, documentation, evaluation, and dissemination of project results.
